Bangalore, September 15th, 1916

Dear Sir,

With reference to your D.O. letter No.C:3452-69, of 9th instant it is not clear to me what is required. I believe most of the office staff have subscribed to one or more War funds, but it will be possible to ascertain the amount only by asking each member. I - naturally do not care to do this as it is interfering with their rights as private - citizens and moreover the record must already be with the local Secretary's of the various War funds.

As far as men is concerned - one peon has joined the Pioneers since the beginning
